

# Síntesis 6th grade

Unit 3: A Natural World  
Module 1 - Lesson A  
Listening comprehension  
August, 21st 2020

# Objectives

- ❖ Identificar y reconocer vocabulario de la unidad.
- ❖ Identificar ideas generales y específicas de un texto auditivo.

Student's book  
Page 77

Activities :  
10 – 13 and 14

● ○ ○ BEFORE LISTENING

10 Match the sentences to their corresponding pictures. Then, check with your teacher.

a. It is a sand beach.

b. It's a palm tree.

c. It is an extinct volcano.

○ ● ○ WHILE LISTENING

11  72 Look at the pictures and try to identify which place in the world they show. Listen to the recording and check if you were correct.

12  72 **Strategy** Listen again and focus on the words related to habitats. Write a list in your notebook.

13  72 Listen again and answer the following questions.

- What is Easter Island famous for?
- What interesting places can be found on the island?
- Which kind of tree is characteristic of this island?

Student's book
